### **Wildflowers**

Take to the wooded trails of the Tawas. Search for fern and wildflowers on the self-guided wildflower walk along the Ausable River. The area is full of natural wildflowers in the spring and the length of circuit is approximately one mile.

## ***Birding***

Enjoy some of the best birding in the Great Lakes region. Tawas Point and surrounding areas are known worldwide for having more than 200 species during peak migration times and high concentrations of migrating warblers.

Tuttle Marsh Wildlife Area is a birder's paradise only seven miles north of town. Bald eagles, Trumpeter swans, Piping Plovers and Kirtland Warblers can be sighted in many areas of Iosco County and along the Sunrise Coast Birding Trail.
