

**Paddle or Pedal**  
on your next visit to Tawas Bay

**GRAB A PADDLE** and take your canoe or kayak for an exciting trip down Tawas River, AuSable River, around Tawas Lake or head out to Lake Huron. Put in at the public access launch site off US-23 North on Newman St to end, follow signs for public access site. You may also rent gear and float or paddle down the amazing AuSable River.

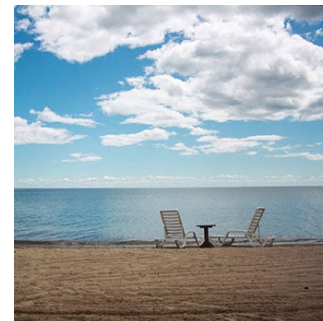

While on the water it is a great time to add these activities:

### ***What's new?***

The [Tawas Point Lighthouse](#) repairs are progressing, including new colors. Extensive research has determined historic colors. The inside of the lantern room is a pale green. There is a new red accent just under the roof. And the outside of the lantern room will be.....well, you'll have to wait and see!
